

Name, middle name and surname		Renata R. Škrbić	
Research record - researcher ID number		3881	ORCID N°: 0000-0001-8957-4577
Status		Assistant	
Scientific field			
Special Education and Rehabilitation			
Academic career:		Institution	
Year		Field	
Status Acquired	2016	University of Novi Sad, Faculty of Medicine	Special Education and Rehabilitation
PhD			
MSc	2011	University of Novi Sad, Faculty of Medicine	Special Education and Rehabilitation
Graduated	1996	University of Belgrade, Faculty of Special Education and Rehabilitation	Special Education and Rehabilitation
Courses taught during the present academic year			
N°	Course		Studies
1.	Introduction to additional therapies		Undergraduate academic studies of Special Education and Rehabilitation
2.	Individual educational plan		Undergraduate academic studies of Special Education and Rehabilitation
3.	Sing Language		Undergraduate academic studies of Special Education and Rehabilitation
4.	Methods of working with children with multiple disabilities		Undergraduate academic studies of Special Education and Rehabilitation
5.	Learning disabilities		Undergraduate academic studies of Special Education and Rehabilitation
6.	Methodic/didactical approach in hearing disorders in learning		Undergraduate academic studies of Special Education
7.	Conductive pedagogy		Undergraduate academic studies of Special Rehabilitation
8.	Medical basis of surdology		Undergraduate academic studies of Special Education and Rehabilitation
9.	Methodological-didactical principles in the application of methods and equipment for rehabilitation of sensory motor dysfunction		Master academic studies of Special Education and Rehabilitation
Main papers in accordance with the additional standards of the given field (min. 10, max. 20)			M
1.	Sokolovac I, Slavnić S, Škrbić R, Lemajić-Komazec S. Production of verb tenses in children with cochlear implants. Specijalna edukacija i rehabilitacija. 2016; 15(4):437-58.		51
