

Name, middle name and surname		Sanela Z. Slavković	
Research record - researcher ID number		4348	ORCID N°:
Status		Teaching assistant	
Scientific field		Special education and rehabilitation	
Academic career:	Year	Institution	Field
Status Acquired	2012	Faculty of medicine, University of Novi Sad	Special education and rehabilitation
PhD	2016	Faculty of medicine, University of Novi Sad	Public health - Special education and rehabilitation
MSc	2008	Faculty of medicine, University of Novi Sad	
Graduated	1998	Faculty for special education and rehabilitation, University of Belgrade	Special education and rehabilitation
Courses taught during the present academic year			
N°	Course		Studies
1.	Occupational therapy and work education of persons with a multiple disability		Undergraduate academic studies in special education and rehabilitation
2.	Assistive technologies		Undergraduate academic studies in medical rehabilitation
3.	Assistive technologies		Undergraduate academic studies in special education and rehabilitation
4.	Somatopedics		Undergraduate academic studies in special education and rehabilitation
5.	Introduction to additional therapies		Undergraduate academic studies in special education and rehabilitation
6.	Assessment in special education and rehabilitation		Undergraduate academic studies in special education and rehabilitation
7.	Methodological-didactical principles in the application of methods and equipment for rehabilitation of sensory motor dysfunction		Master academic studies in special education and rehabilitation
Main papers in accordance with the additional standards of the given field (min. 10, max. 20)			M
1.	Golubović Š, Slavković S , Brkić N. The possibilities of assessment and classification of capabilities of upper extremity of children with cerebral palsy. In: Stošljević M, Marinković D, Eminović F, editors. Cerebral palsy: a multidisciplinary and multidimensional approach. Belgrade: Association of Special Educators and Rehabilitators of Serbia; Foca: University of East Sarajevo-Faculty of Medicine; 2012. p. 7-24.		M14
2.	Odović G, Slavković S , Radić-Šestić M., Golubović Š. Perceptions of workplace difficulties by persons with multiple sclerosis. In: Kulić M, Ilić-Stošović D, editors. Education and Rehabilitation of Adult Persons with Disabilities. Foca: University of East Sarajevo-Faculty of Medicine; 2014. p. 339-351.		M14
