

EU Horizon 2020

Title: PhD Scholarships in Australia (Curtin University, Dr Hani Al-Salami's lab: Biotechnology and Drug Development Research Laboratory): <https://healthsciences.curtin.edu.au/health-sciences-research/research-institutes-centres/biotechnology-and-drug-development-research-laboratory/>

About the PhD scholarship: Dr Al-Salami is seeking top pharmacy and pharmacology students at universities in Serbia, Bosnia and Herzegovina, and Montenegro, who are finishing their Masters degrees in 2019 and interested to pursuing PhDs in Australia.

PhD Scholarship value: Approximately \$106,000 plus tuition fees (~ \$140,000 Australian dollars in total) over the PhD period.

Deadlines: Contact Dr Al-Salami on hani.al-salami@curtin.edu.au before 31st July 2019 (the sooner the better).

Eligibility: Be on the top 5% of your class in terms of academic grades and achievements.
