Dear Dean

Re: 3 Scholarship Grants Available from the Faculty of Dentistry, Prince of Songkla University

On behalf of the Faculty of Dentistry, Prince of Songkla University, Thailand and in accordance with the MOU between our Faculty and yours, I am happy to announce full PhD graduate scholarship study grants to any excellent postgraduate student from your school of Dentistry who would like to apply.

We have 3 PhD scholarship grants available for a period of 3 years each that covers all tuition fees, a monthly allowance of 10,000 baht/month (to cover housing and living expenses), accident insurance in Thailand for the 3-year period, and 15,000 baht to help cover two return international travel tickets at the beginning and end of the PhD program.

Regarding additional application requirements, please refer to the Announcement attached.

We look forward to seeing applicants from your school receiving our scholarships.

Yours faithfully,

Asst. Prof. Dr. Chaimongkon Peampring

Vice Dean for International Affairs and Public Relations
